## E. Student-Athletes

2. The president or chancellor of each member institution shall appoint and support the faculty athletics representative as the principal point of contact to whom student-athletes can report any action, activity or behavior by anyone associated with the athletics program inconsistent with this constitution's principle of student-athlete health and well-being. In this role, the faculty athletics representative is a reporting contact for student-athletes independent of the institution's athletics department, but not a legal advocate for student-athletes.
